

The Little Guild of St. Francis

Newsletter

February 2009

Our Most Important Goal

Looking ahead to 2009, we have many goals to reach and challenges to accomplish. With the closing of our thrift store “The Benefit Shop” we’ve swallowed and digested the loss of two things: a beloved arm of The Little Guild that brought us local notice and a sense of community and the loss of the income which it produced for our shelter. Thanks go to Susan Leslie, of the Bargain Barn, for arranging the sale of the last of the shop’s furniture. It was a sad day for all of our wonderful volunteers. We have pledged to come back and bring them all along with us. Our feelers are out for a permanent spot to set up shop once again.

In 2008, we adopted out a total of 229 animals, 128 dogs and 108 cats. We overcame illness scares, high animal medical expenses, our van’s maintenance problems, staff & board member changes, and rising fuel costs. All of our dogs and cats went to loving homes with many new owners writing us and telling us of new adventures with their new pet.

We are setting our sights on furthering our education by attending shelter seminars to keep us up to date and ready for any new challenges that may be lurking around the bend. Our goal to build a separate sick room off of our quarantine room to add that extra level of precaution should we take in a particularly sick dog or cat is in the planning stage. Our phones are busy with staff answering questions ranging from directions to our shelter to suggestions on animal behavior. And as has always been The Little Guild’s pride, we meet, learn and get to know our animals inside and out during their stay with us so that we can best make the perfect fit for them and for you, their new adopters.

We all are feeling the economic pinch and while our goals are important to us, never will we - EVER - compromise our animals’ health and well being. Our pledge to them is that they come first and through the hearts of like minded people, we know we’ll never let them down.

A Note from the Director

Well, The Little Guild has completed another successful year. Admittedly, it has been a challenging one. Our medical expenses have been very high this past year due to the number of sick and injured stray animals we have taken into our shelter for treatment and because the economic situation has caused people, understandably, to be more careful than ever with their donations. But these are the challenges we always face. On the following pages you will find the many people that helped us meet those challenges. To each of them I say "Thank You". Your support of The Little Guild is what makes the help we to give these animals possible. You have saved some of them from horrible situations. You have saved the life of some of them. You provided warmth, medical treatment and nourishment when they needed it. You placed all of them in loving homes. With all of the negative things that happened this past year, you and I have these very good things to look back on. Thank you all!

A Message From the President

Once again it is you, our donors, to whom this Newsletter is dedicated.

Without your generous contributions there would be no Little Guild and several hundred cats and dogs would still be homeless and multiplying since they would not have been spayed or neutered.

Because of your generosity we have found kind loving homes for well over 200 cats and dogs this past year and we are on a pace to exceed that number this year. As you can see once again we have had to expand the size of this special issue of the Newsletter to accommodate the names of all the many donors. We hope that this will continue during the difficult economic period that we are facing in 2009 and possibly beyond.

We are making every effort to economize and make your dollars stretch further but the more animals that we take in and rehome the more we spend in medical expenses. These medical expenses are the

largest single component of our budget.

So, once again, we all, and especially the cats and dogs who did not ask to be here, thank you for your generosity in allowing us to fulfill what is our common goal of a day when there are no more abandoned animals.

People and Pet Mail

“To The Little Guild Staff,

Enclosed are some photos of Shimmer and Havoc. As you said, they are best buddies. Shimmer is most affectionate and usually sits on the couch with us and often sleeps on my bed at night.

Havoc is not as skittish anymore, but does not like to be picked up or touched a lot yet; except when eating, he likes me to be near him and allows me to pet him.

They are great company for me and each other and a joy to have here.”
Sincerely,
Bill Calkins

Shimmer and Havoc had a quite a long stay with us here at The Guild. Shimmer would shy away from adopters and was only comfortable with staff. Havoc was even more afraid and shy than Shimmer. Only two staff members could touch Havoc. In time, Havoc was able to co-exist with the visitors who came and went through the shelter, and would find “safe” places to sleep – maybe on top of another cat’s cage or in a soft cat bed tucked away in a corner. One day we noticed that Shimmer and Havoc had become buddies. They would share the same cat bed and where one went, the other followed. We knew that adopting one shy cat would be tough enough, but now we had two shy cats that were virtually inseparable! Then, a man named Bill Calkins showed up at our door. Well, Shimmer took quite a liking to Bill – which amazed all of us as he usually would hide from any potential adopter! When we told Bill that Shimmer had a buddy, Bill decided that he would give Havoc a try too. So, we gathered up the cats and finished up the paper work. Bill left the shelter with Shimmer and Havoc and we kept our fingers crossed! Above is note from Bill. This note teaches us that when very shy, fearful cats are given a chance in a home, with someone who is patient, they can learn to trust again and become quite affectionate and loving. We extend our gratitude to Bill and all adopters like him, who have the patience and shall we say the “courage” to give the shy and fearful animals like Shimmer and Havoc, a fair chance in a home.

THE LITTLE GUILD OF ST. FRANCIS DONORS

2008 Donors

On behalf of the Board of Directors and all the dogs and cats you have helped, we would like to thank you for your support of our shelter. You have made it possible for us to help these beautiful animals that have found themselves homeless through no fault of their own. Please know that we are very grateful for your support.
